

- **Agreement Scope and Application:**

- These Terms, along with the Privacy Policy, establish an agreement between PayPlace and its CSPs (customer service points), agents, merchants, and retailers.
- They govern the provision of services to customers in India through the designated portal/website or mobile application ("Terminal").

- **Acceptance and Engagement:**

- CSPs acknowledge their engagement with PayPlace to provide services and agree to these Terms by logging into the Terminal.
- By accessing the Terminal and providing services, CSPs indicate their acceptance of these Terms.

- **Voluntary Participation:**

- CSPs acknowledge that their use of the Terminal is voluntary and subject to compliance with applicable laws.

- **Service Approval:**

- Certain services may require approval from service providers before CSPs can offer them through the Terminal.

- **Definition of 'Provisioning of Services':**

- 'Provisioning of Services' refers to the sale, distribution, and supply of services through the Terminal.

- **Specific Service Terms:**

- Terms specific to particular services will apply when CSPs choose to provide those services.

- **Authorization for Sharing:**

- CSPs authorize PayPlace to share their details, documents, and credentials with potential customers and partners to facilitate business growth.
